

# The Swan Hotel

Whalley

A vibrant 17<sup>th</sup> Century Coaching Inn  
– located at the heart of the thriving village of Whalley –  
in the beautiful Lancashire Ribble Valley.

Much of our food is home made and many of our ingredients are sourced from local suppliers. Very little of our food is pre-cooked or frozen and this means that during busy periods, there may be some waiting and we may sell out of some dishes. We are sure you would prefer this to mass-produced, convenience pub grub!

We will endeavour to take your order at table, but sometimes we truly underestimate demand and staffing levels. On those occasions, please order from the bar.
